**FOR IMMEDIATE RELEASE**

**Deltacom Names Layne Levine to Lead Company's Retail Sales Organization**

**Huntsville, Ala., Sept. 14, 2009** – ITC^DeltaCom, Inc. (OTC: ITCD.OB), a leading provider of integrated communications services to customers in the southeastern United States, today named Layne Levine as Senior Vice President of Retail Sales. Levine brings more than twenty years of sales, customer support and operations experience in the telecommunications industry, and his leadership will further enhance Deltacom's strategy to provide comprehensive communications solutions with a superior customer experience.

Levine was formerly the Chief Operating Officer at Airband Communications where he was responsible for operations, customer support, sales and marketing. Prior to that position, Levine spent more than 14 years with Broadwing Communications, most recently as Senior Vice President of Sales and Support. During his time with Broadwing, Levine significantly increased sales productivity, contributing to substantial growth in business and enterprise revenues.

"Layne is a proven leader with considerable experience developing strong customer-focused sales organizations," said Tony Tomae, Deltacom's Executive Vice President of Sales and Marketing. "I look forward to the benefits that Layne's dedication to customer-centric values and teamwork will bring to Deltacom's retail business."

**ABOUT ITC^DELTACOM, INC.**

ITC^DeltaCom, Inc., headquartered in Huntsville, Alabama, provides, through its operating subsidiaries, integrated telecommunications and technology services to businesses and other communications providers in the southeastern United States. ITC^DeltaCom has a fiber optic network spanning approximately 15,965 route miles, including more than 12,020 route miles of owned fiber, and offers a comprehensive suite of voice and data communications services, including local, long distance, broadband data, Internet connectivity, wireless voice and data services, and customer premise equipment. ITC^DeltaCom is one of the largest competitive telecommunications providers in its primary eight-state region.
