**SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**

**2.12 Annual Usage Commitment Level**

Customers who enter into a term agreement must meet an Annual Usage Commitment. The Customer's Annual Usage is established by using the third (3<sup>rd</sup>) month's actual toll usage, excluding directory assistance, multiplied by twelve (12) months, and multiplying that result by 50%. By the end of the twelfth (12<sup>th</sup>) month of the Customer's Initial Term of Agreement, usage must be at or above the established Annual Usage Commitment. If the Customer's usage does not meet this requirement, in the thirteenth (13<sup>th</sup>) month, and at the end of the twelve (12) month period remaining in the Initial Term or Renewal Term as applicable, the Customer will be billed the difference between the actual usage level and the predetermined Annual Usage Commitment. The Annual Usage Commitment as described is used in the calculation of the Discontinuance Charge for early termination of an Initial Term or Renewal Term, as applicable.

**2.13 Agreement for Service**

The initial term of service provided under an Agreement for Service ("AFS") shall be set forth on such AFS. Upon expiration of the initial term, the AFS shall automatically renew on the same terms and conditions (including, without limitation, the rates) for successive one (1) year terms unless either party notifies the other of its intention to terminate the AFS at the end of the initial term or renewal term, as the case may be, which such notice shall be in writing and provided to the other party at least thirty (30) days prior to the expiration of the initial term or the renewal term, as the case may be. In the event of such notice, the AFS shall terminate upon the expiration of the initial term or renewal term, as the case may be. The Customer must follow the process as outlined in Section 2.15.6 when notifying the Company of its intent to terminate the AFS at the end of the initial term or renewal term, as the case may be.

The Customer shall notify the Company in writing if the Customer contact person is changed. The Company reserves the right to reject any Customer termination request received from any person other than the designated Customer contact person.

- (C) failure to pay directory advertising charges.

**2.15 Cancellation of Service**

**2.15.1 General**

**SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**

**2.15 Cancellation of Service, (Cont'd.)**

**2.15.2 Cancellation by the Customer without Cause**

- (A) **Discontinuance Charge.** The Customer's rates and discounts, if any, are provided to the Customer in exchange for the Customer's commitment to obtain the Services for the agreed upon term of the Agreement for Service ("AFS"). If the Customer terminates all or any part of the Services obtained under the AFS prior to the expiration of the initial term or any renewal term then in effect for any reason other than Cause (as set forth in the following 2.15.3 below), then, in addition to payment for all Services rendered through the effective termination date, the Customer shall be liable to the Company for:
- (1) the Annual Usage Commitment amount remaining unpaid for the remainder of the Initial Term or Renewal Term; or
  - (2) the total of all monthly recurring charges through the end of the Initial Term or Renewal Term, as applicable
  - (3) any waived installation charges, the cost of any incentives and any miscellaneous charges incurred for dedicated access, including but not limited to engineering fees, expedite fees, carrier and local exchange order fees, change order charges, and miscellaneous configuration charges. In addition, the Company shall be entitled to the cost of collection of the forgoing amounts including, without limitation, court costs, reasonable attorney's fees and interest on past due amounts.

Because damages resulting from early termination are difficult to determine, the Discontinuance Charge is a reasonable approximation of such damage and shall be considered a liquidated damage and not a penalty.

**2.15 Cancellation of Service, (Cont'd.)**

**2.15.2 Cancellation by the Customer without Cause, (Cont'd.)**

**(B) Discounts/Incentives Received.**

Where the Customer received reduced rates or a discount because the Customer subscribed to more than one Service, the Customer's termination of one Service may result in the forfeiture of the Customer's reduced rates or discount for that Service or Services that are not terminated, and the Customer shall be liable to the Company for the amount of discount received by the Customer for the period from the beginning of the term of the Agreement for such Services up to and including the effective date of the termination of the Service or Services terminated.

Incentive(s) include but are not limited to free or discounted services, waiver of any fees (i.e., installation charges, loop charges), waived rental of equipment, etc. If Customer cancels any service provided under an Incentive in full or in part (i.e., Customer receives a discount for bundled services but cancels one of the services prior to the end of the Term), then Customer shall pay any fees Customer would have incurred without the Incentive. Likewise, Customer shall pay the then current rate for any equipment received under an Incentive (i.e., data CPE: multiplexers, CSU/DSU, routers, etc.) and/or, at the Company's discretion, allow the Company to retrieve the equipment from the Customer's premise during normal business hours.

(C) **Waiver of Discontinuance Charge.** To qualify for a waiver of the Discontinuance Charge, the Customer must request and specify, prior to service installation, under which of the following circumstances the waiver would be sought:

- (1) When a Customer, whether single or multi-location, closes its entire business and all business locations and cancels service;
- (2) When a Customer files for insolvency and liquidation and cancels service. If a Customer maintains the Company's service(s) under other versions, such as Chapter 11 reorganization or Chapter 13, the Customer will not qualify for this waiver;
- (3) When a Customer with multiple locations closes a location due to economic conditions;
- (4) When a Customer with multiple locations closes a location due to a physical move and the Company is unable to provide 100% of the service at the new location as was utilized at the original location;
- (5) When the Customer is being acquired and ownership is changing. In this instance, the original Customer will receive a Waiver of Discontinuance Charge except in the event the AFS is assigned to Customer's acquirer or new ownership.

The Customer must notify the Company in writing a minimum of 30 days in advance of disconnection or termination of service under any of the above conditions. **SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**

**2.16 Specific Regulations for Toll Free Services**

**2.16.1** The Company reserves the right to require an applicant for DeltaCom Inbound 800 Service to supply the following information requesting service: an initial traffic forecast, identification of anticipated busy hour, identification of its geographical marketing target areas, and a schedule of marketing and promotional activities. The Company may also require that a new traffic forecast be submitted by the Customer quarterly after service is initiated.

(A) DeltaCom Inbound 800 Service is furnished upon condition that the Customer contracts for adequate facilities to permit the use of service without injurious effects upon it or any service rendered by the Company. The Company may terminate or refuse to furnish DeltaCom Inbound 800 Service to any applicant, without incurring any liability and without notice to the Customer, if the use of the service would interfere with or impair any service rendered by the Company.

(B) The Customer must obtain an adequate number of access lines for DeltaCom Inbound 800 Service to handle the Customer's expected demand in order to prevent interference or impairment of this service or any other service provided by the Company considering: (a) total call volume; (b) average call duration; (c) time-of-day characteristics; and (d) peak calling period. The Company, without incurring any liability and without notice to the Customer, may disconnect or refuse to furnish DeltaCom Inbound 800 Service to any Customer that fails to comply with these conditions.

At no time may a Customer have more than ten (10) numbers reserved. Any reservation shall be for no more than thirty (30) days and shall be subject to a reservation fee that will be credited to the Customer's unpaid balance after DeltaCom Inbound 800 Service has been in actual and substantial use for a consecutive thirty (30) day period.
